

A journey among villas and castles

Among the sites of Pupi Avati movies

A tour of some of the places in Minerbio connected to the director Pupi Avati. Starting from the historic inn in the centre, frequented by some actors like Walter Chiari, Ugo Tognazzi and others. Then using your own transport the tour continues to the Church of San Giovanni in Triario, home to the Museum of Popular Religiosity, which appeared in the film The House of Laughing Windows (1976).
